COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir or Madam:

Responsive to the Examiner's Statement of Reasons for Allowance provided in the Notice of Allowance mailed April 5, 2010, Applicants submit the following clarifying remarks.

Applicants note that the Statement of Reasons for Allowance highlights certain features of the claims in support of patentability of those claims. However, Applicants respectfully submit that the claims may also include other features that support further patentability of those claims. Indeed, while the Applicants believe that the claims are allowable, the Applicants do not acquiesce that patentability resides in each feature, exactly as expressed in the claims, nor that each feature is required for patentability.

Respectfully submitted,

/Jason V. Chang/
